

HONORING THE LIFE OF SENATOR
DAN SWECKER

HON. JAIME HERRERA BEUTLER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Ms. HERRERA BEUTLER. Madam Speaker, I rise today to honor and celebrate the life of Senator Dan Swecker. I had the distinct privilege of serving with Dan in the Washington State Legislature and I remain incredibly grateful for his commitment to his country, his family and the communities of Southwest Washington.

While many individuals in our region came to know Dan as a long-time elected official, his service to our nation began much earlier in life. A proud Army veteran, Dan celebrated his 21st birthday while on a combat tour in Vietnam, where he sustained injuries and for his sacrifice earned the distinguished Purple Heart.

It would be incomplete to talk about Dan's public service without mentioning that which provided him consistent strength throughout his life, his Christian faith. Dan's faith led him to become a founding member of the Centralia Christian School Foundation. It was this faith that led to a reputation as a man who would stand by his morals, even when that was not the easy thing to do.

In so many ways, Dan personified a model community member. He was a kind, and humble leader, fueled by a desire to serve his neighbors and support his community. Southwest Washington was lucky to have a leader like Dan as a part of our community.

Dan will be dearly missed by his family and many friends, and my thoughts and prayers remain with his loved ones during this difficult time.

IN HONOR OF AMERICAN LIBRARY
ASSOCIATION PRESIDENT JU-
LIUS JEFFERSON

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Ms. NORTON. Madam Speaker, I rise today to recognize and congratulate Julius C. Jefferson, Jr., for his service this past year as the national president of the American Library Association (ALA). A fourth-generation native of Washington, D.C., Julius received his bachelor's degree in history from Howard University and his master's degree in library science from the University of Maryland. As a librarian, Mr. Jefferson has spent his career committed to advocacy, information policy, diversity, equity and inclusion and professional and leadership development. In recognition of his leadership and dedication to librarianship, the members of the ALA elected Mr. Jefferson to be their 2020–2021 president.

Like so many of us, libraries have had to adapt to changing circumstances during the pandemic, and Julius provided extraordinary leadership throughout this time. Mr. Jefferson began his term as ALA president with a virtual tour of 12 libraries. The "Holding Space" tour is what he called a series of virtual conversations that highlighted the innovation and im-

pact of a diverse range of libraries around the nation. The "Holding Space" tour engaged stakeholders, including elected officials at every level of government, to advocate for libraries and the communities they serve.

I note that many of us in Congress benefit directly from the work of Mr. Jefferson, who serves as a section head of the Congressional Research Service at the Library of Congress. Mr. Jefferson has also served as president of the national Freedom to Read Foundation and of the Washington, D.C. Library Association. As a member of several boards, including the Black Caucus of the American Library Association, Mr. Jefferson has worked to diversify the profession of librarianship and elevate the principles of diversity, equity and inclusion.

Once again, I want to congratulate Julius Jefferson on his term as President of the American Library Association.

TRIBUTE IN MEMORY OF CARTER
CONLEY

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to the memory of Captain Carter Conley, founding member and leader of the Magoffin County Rescue Squad in Salyersville, Kentucky where he dedicated nearly 50 years to serving and protecting the community he loved.

Carter made a decision immediately after graduating from the University of Kentucky, nearly five decades ago, to return home to use his bachelor's degree in Early Education, where he would raise a wonderful family and make an impact on his small hometown by also pursuing his dream of becoming a firefighter and certified EMT. Hard work was never a foreign term to Carter—he lived and breathed it, from working his way through college, to uniting a group of community leaders to form the Magoffin County Rescue Squad in 1974. The squad started off with 10 members, \$100.00, and the mountain ingenuity it takes to raise enough money to purchase and refurbish an old bread truck and two old boats from the Jenny Wiley State Park for the rescue squad's first fleet. Thanks to coal severance dollars and the support of the local fiscal court, the rescue squad began to grow, and became essential to emergency response during the flood of 1978. Carter and the squad ramped up fundraising efforts over the years, taking their pleas to the local newspaper, the radio station, and eventually a live televised auction. As a direct result of their tireless efforts, the people of Magoffin County are safer today than ever before.

In addition to his volunteer work with the Magoffin County Rescue Squad, he worked at Mountain Comprehensive Care; he served as an Assistant Fire Chief 1982 to 1985; he was a Level 1 Fire instructor through the Kentucky Fire Commission; and worked at Big Sandy Area Development District as a case manager in aging services for over 15 years. Carter's impact on Magoffin County is widespread and deeply rooted.

As we survey the impact of COVID-19 in our communities, we must look beyond the statistics and see the lives of beloved individ-

uals like Captain Carter Conley, who lost an unpredictable battle, despite his efforts to save others from the same deadly virus.

My wife, Cynthia, and I extend our deepest heartfelt condolences to his wife, Vivian and the entire Conley family. Capt. Conley was a true hometown hero, and although his watch is finally over, I am confident that his great host of family and friends will continue to keep his memory alive.

DEDICATING THE MICHAEL J.
LYNCH MEMORIAL GARDEN

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Mr. JORDAN. Madam Speaker, I am honored to commend to the House the memory of Special Agent Michael J. Lynch of the Federal Bureau of Investigation. Special Agent Lynch was killed in the line of duty in Ohio nearly four decades ago.

Michael Lynch was raised in St. Marys, Ohio. An Air Force veteran of the Vietnam War, where he served as a C-130 loadmaster, he was awarded the Distinguished Flying Cross for successfully completing a critical resupply mission over Khe Sanh in February of 1968.

Special Agent Lynch joined the FBI in 1976, assigned first to the Indianapolis division and later to Chicago, where he was part of the SWAT team. On December 16, 1982, he and three other agents lost their lives in an airplane accident while investigating a bank fraud and embezzlement case near Cincinnati.

Tomorrow, at a site just a few blocks away from his childhood home, the Michael J. Lynch Memorial Garden will be dedicated in St. Marys. On behalf of the people of Ohio's Fourth Congressional District, I offer my condolences to his family, friends, and FBI colleagues as they gather to celebrate his selfless service to our nation. I am grateful to the men and women of the FBI for pursuing this honor in tribute to their fallen comrade and thank the leaders and residents of St. Marys for making it a reality.

IN MEMORY OF EVERETT MAYOR
BOB ANDERSON

HON. RICK LARSEN

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Mr. LARSEN of Washington. Madam Speaker, I rise to honor the life and distinguished career of Everett Mayor Robert "Bob" Carl Anderson, the city's first mayor under its modern charter, who passed away on July 8, 2021.

Mayor Anderson was instrumental in establishing the Boeing 747 "Jumbo Jet" plant at Everett's Paine Field in the late-1960s, which has had a lasting impact on the local economy for 50 years.

Bob Anderson was born on July 11, 1929, in Portland, Oregon to Carl John Anderson and Helen Anderson. He spent most of his childhood in Seattle before later moving to Everett.

He graduated from Roosevelt High School in Seattle and the University of Washington,

where he met his wife, Dona. Bob and Dona were married in 1950 and raised four children in Everett.

Bob served in the Navy for six years during the Korean War.

He was elected Mayor of Everett in 1968 and served until he became an executive of the Olympic Bank in 1977.

In 1978, he became the director of the Washington State Department of Commerce and Economic Development.

He founded the Washington State China Relations Council where he served as president, director and senior advisor.

I would like to honor the life of Mayor Bob Anderson, his service to our country and his important contributions to the development of Everett and the State of Washington.

HONORING EDNA JOLLEY COOPER

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable public servant Mrs. Edna "Mickey" Jolley Cooper.

Mrs. Cooper was born on December 11, 1944, one of the most wonderful of Angels entered into this world, born to Mr. Frank and Marie King Jolley. This Angel who walked, talked, and loved so sweetly was Edna Jolley, known affectionately to all as "Mickey."

Mrs. Cooper was raised in a Christian household and grew up among family in Pelahatchie, Mississippi, where she attended school until high school graduation. She would go on to enroll at Jackson State College, now known as Jackson State University, where she excelled completing three degrees: Bachelor of Science, Master of Education and Specialist.

It was also at Jackson State that she met the love of her life, Myram E. Cooper whom she wed in 1965. They were joined at the hip living a complete and full life as they raised their sons, Keith and Montrel.

Professionally, Mrs. Cooper was well respected among her peers and was a dedicated educator for more than fifty years. Her loving, kind spirit and commitment to education touched and influenced the lives of children throughout the state of Mississippi. She began her teaching career at Clarksdale Elementary. As her career progressed, she taught at Ridgeland Elementary School, Lee Elementary School and Wilkins Elementary where she eventually retired.

Mrs. Cooper dedicated her life to Christ at an early age in her youth. She loved the Lord with all of her heart and was a devoted and active member of Lynch Street CME. She was also a member of many civic organizations including the National Council of Negro Women.

Madam Speaker, I ask my colleagues to join me in recognizing the late Edna Jolley Cooper for her dedication to serving her community.

HONORING THE SEVEN INVENTORS INDUCTED TO THE FLORIDA INVENTORS HALL OF FAME 2021

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Ms. CASTOR of Florida. Madam Speaker, it is my honor to recognize the seven inventors who have been selected as the 2021 Inductees of the Florida Inventors Hall of Fame. These inventors were nominated by their peers nationwide and have undergone the review of the Florida Inventors Hall of Fame Selection Committee. Moreover, their innovations have been identified as significantly impacting the quality of life, economic development, and welfare of their communities, the residents of Florida, and the United States.

The Florida Inventors Hall of Fame was founded in 2013 at the University of South Florida in Tampa, Florida. It was recognized by the Florida Senate as Senate Resolution 1756, which was adopted on April 30, 2014. Its mission is to encourage individuals of all backgrounds to strive toward the betterment of Florida and society through groundbreaking innovation by celebrating the incredible scientific work that has been accomplished by Floridians.

Nomination to the Florida Inventors Hall of Fame is open to all Florida inventors (living or deceased) who are or have been residents of Florida. The nominee must be a named inventor on a patent issued by the United States Patent and Trademark Office. The impact of the inventor and his or her invention should be significant to society, and the invention should have been commercialized, utilized, or led to important innovations.

The 2021 Inductees of the Florida Inventors Hall of Fame are:

Norma Alcantar: University of South Florida Professor of Chemical, Biomedical & Materials Engineering, who is recognized for pioneering advances in natural technologies to clean and purify contaminated water; as well as developing novel therapies for Alzheimer's and cancer treatment; new sustainable soil systems; remediation of ocean oil spills; and creating novel filtration technologies for aquaculture systems.

Mark Dean: University of Tennessee Professor Emeritus at the Tickle College of Engineering, former IBM Chief Technology Officer of the Middle East and Africa, who is recognized for revolutionizing personal computer technologies as one of the original inventors of the Industry Standard Architecture "bus"; as well as inventor on three of the nine patents for the original IBM PC; and leader of the team that developed the one-gigahertz processor chip.

Roberta Goode: Founder and President of Goode Compliance International, LLC. Adjunct Faculty Member at University of Miami and George Washington University, who is recognized for breakthrough patents in hemostasis valve designs for vascular catheters that have significantly advanced the field of minimally-invasive cardiac surgeries and diagnostic procedures.

Dean Kamen: President of DEKA Research and Development and the Founder of FIRST (For Inspiration and Recognition of Science and Technology), who is recognized for sus-

tained cutting-edge innovations across multiple industries that have advanced and benefited society, including: AutoSyringe; HomeChoice for in-home dialysis; UVAR XTS System for treatment of T-Cell lymphoma; the Hydrotex surgical irrigation pump; the IBOT mobility device; and the Segway.

Susann Keohane: IBM Innovation Leader for Healthy Aging and Emerging AI Products and IBM Master Inventor, who is recognized for groundbreaking inventions in Artificial Intelligence, Machine Learning and the Internet of Things that have transformed analytics and machine learning techniques and significantly improved the quality of life for people with disabilities and the aging population.

David Kotick: Senior Science Technical Manager for LVC Simulation and Training at the Naval Air Warfare Center Training Systems Division, who is recognized for seminal innovations integrating digital communications across Live Virtual Constructive training environments that advanced simulated training for the U.S. military which benefited overall readiness.

Rajiv Singh: Vice President of Entegris, Inc. and Professor Emeritus at the University of Florida Department of Materials Science and Engineering, who is recognized for breakthroughs in advanced semiconductor processing of next generation materials, including chemical mechanical polishing for mechanically hard advanced electronic materials.

Innovation and invention are the building blocks of our nation. I applaud these highly accomplished individuals and the organizations that support them in their quest to change the world in ways that truly benefit humanity. It is because of the perseverance of these inventors that future generations are encouraged to reach beyond their limits and push the boundaries of innovation.

HONORING THE WORLD WAR II, KOREAN WAR, AND VIETNAM WAR VETERANS OF ILLINOIS

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 20, 2021

Mr. QUIGLEY. Madam Speaker, I rise to honor the World War II, Korean War, and Vietnam War Veterans who traveled to Washington, D.C. on August 18, 2021 with Honor Flight Chicago, a program that provides World War II, Korean War, and Vietnam War veterans the opportunity to visit their memorials on The National Mall in Washington, D.C. These memorials were built to honor their courage and service to their country.

The American Veteran is one of our greatest treasures. The Soldiers, Airmen, Sailors, Marines, and Coast Guardsmen who traveled here on August 18th answered our nation's call to service during one of its greatest times of need. From the European Campaign to the Pacific Asian Theatre to the African Theater, these brave Americans risked life and limb, gave service and sacrificed much, all while embodying what it is to be a hero. We owe them more gratitude than can ever be expressed.

I welcomed these brave veterans to Washington and to their memorials. I am proud to include in the RECORD the names of these
